EDUCATION South Kanara - Eligible Communities - Labour Schools - Unserviceable articles - condemnation.

In the South Kanara District, articles of school equipment purchased from 1938 onward which have become unfit for further use have not been condemned and their book value written off from time to time though the Collector has got powers to do so to an extent of Rs.25/ per annum under Article 198(b) of Madras Financial and Account Code Volume I read with item No.32 of M.F.A.C.Volume II.

A list of such schools with the book value of the articles of equipment proposed for condemnation is sent herewith.

The Collector has reported that the condemnation and write-off of unserviceable and used up articles were not being done every year systematically. Out of 16 schools whose equipments require condemnation, I have accorded sanction in respect of 10 as the total value in each case is below Rs.50/-. In respect of the remaining 6 items noted below*, the value of which exceeds Rs.50 in each case, I request that Government may be pleased to accord sanction for condemnation of articles of equipment.

I have the honour to be,

Sir,

Your most obedient servant,

for Commissioner of Labour.
